

Antibody Technology Interest Network Presentation:

The Link between T Follicular Helper Responses and Neutralizing Antibody and Memory B Cell Responses to SARS-CoV-2

Monday, December 16, 2020

11:00 a.m.–12:00 p.m. ET

Register [here](#)

Register today for this timely and informative presentation that will provide updates on SARS-CoV-2 adaptive immunity and preliminary research from the Scherer Lab on the link between T follicular helper cell responses and antibody and memory B cell responses in mild versus severe COVID-19 cases.

Speakers:

Erin Scherer, Ph.D.

Assistant Professor – Infectious Diseases
Emory University

David Blum, Ph.D.

Director, Bioexpression and Fermentation Facility
Director, Master of Biomanufacturing and Bioprocessing
University of Georgia
